

BRITA PURITY C FILTER HEAD

Our partner for better water.
Coffee is 98% water – get it right.

FEATURES + BENEFITS

- One filter system for all applications: Guarantees an optimum water quality for every application including coffee and espresso machines, vending machines, combo ovens, conventional ovens and coolers.
- Simple to handle: Rapid change system and innovative locking handle for reliable adjustment. Water inlet and outlet on one filter side for space-saving installation. Integrated flush and bleed valve and simple pre rinsing and bleeding.
- Environmental protection: Since 1992 all parts of BRITA cartridges can be completely reprocessed so that the materials can be recycled.
