

GX85 GRINDER - FIXED SPEED

Global espresso standard professional on demand coffee grinder

FEATURES + BENEFITS

- GX is the professional on demand coffee grinder that guarantees high productivity and consistency while reducing waste and offering coffee chains and coffee shops consistent quality after set-up.
- The GX 85 is temporized with fixed speed and 85mm burrs.
- Guarantees a good hourly production rate.

- The particular propeller positioned on top of the burrs ensures constant coffee pressure, guaranteeing maximum consistency.
- A perfect match for the Nuova Simonelli Aurelia Wave UX.
